

Increasing the Potential for Success

Barrier	How will you address it?	Who can you work with to address it?
Learners don't think they have time.		
Learners revert to old habits.		
Learners forget what they learned.		

Barrier	How will you address it?	Who can you work with to address it?
Learners don't know how to apply what they've learned.		
Learners don't have the necessary access to technology or resources.		
Supervisors are ambivalent or unengaged.		

Barrier	How will you address it?	Who can you work with to address it?
Supervisors are actively against the learning program.
